Welcome from our CEO Ashley Reid

Welcome to the 22nd annual Relay For Life Bunbury event, where we celebrate our cancer survivors and carers, honour our loved ones, and support those currently fighting.

Cancer Council WA's mission is to achieve a cancer free future for our community. As a not-for-profit organisation, the lifesaving research we fund, the statewide prevention and education programs we run, and the much-needed support we provide to WA families on a daily basis wouldn't be possible without you.

In the past year, we've been able to help thousands of West Australians affected by cancer, and the \$4.8m raised by

those of you who have participated in Relay For Life Bunbury over the last 22 years has played an important role in that.

When you're out there on that track today, know that because of you, we're getting closer to a time when cancer is no longer something to fear. That's something to be incredibly proud of.

My sincere thanks goes to the hard working Relay For Life Bunbury committee and all of the teams that make this event a success. Without you and your incredible dedication, none of this would be possible.

Thanks again, and happy Relaying!

Cancer Council is Australia's leading cancer charity, working across every aspect of every cancer.

Every day, Cancer Council supports families affected by cancer when they need it most, speaks out on behalf of the community on cancer issues, empowers people to reduce their cancer risk, and finds new ways to better detect and treat cancer.

With your help, we're getting closer to a cancer free future every minute, every hour, every day.

Message from the Chair

It is an honor to be a part of the organising committee and to deliver the 22nd Relay For Life event in Bunbury. Your presence reflects the strength, hope, and determination of our community.

Relay For Life is not just an event; it's a powerful statement that together we can make a difference. Each lap we walk, each dollar we raise, and each story we share is a testament to the resilience of those affected by cancer—survivors, caregivers, and loved ones. It is difficult to describe just how special and meaningful Relay For Life is, but the memories from participating in the 24 hours stay with you forever.

I want to express my deepest gratitude to all our committee, volunteers, sponsors, and participants who have worked tirelessly to bring this event to life. As we light our candles, let us remember those we've lost, celebrate those who have survived, and stand in solidarity with those still fighting. Together, we can continue to support vital research and programs that will one day lead to a world without cancer.

Thank you for being here, for your support, and for your unwavering spirit. Let's make this Relay For Life unforgettable!

The Relay For Life purpose

Celebrate

Our cancer survivors are our Relay heroes, so today we celebrate the inspiration we gain from their courage, determination and hope. We also celebrate the carers who have played a vital role in the process.

Opening ceremony:
Saturday 10.00am

Survivor & carer's morning tea:
Saturday 11.00am

Remember

Candle tributes are a powerful reminder of our family and friends who have been affected by cancer. Each tiny candle is a part of a chain of light creating a gentle glow around the track. Candle tributes can be placed in front of the stage prior to the Candlelight ceremony.

Candlelight ceremony:
Saturday 8.00pm

Fight Back

There are many ways we can reduce our risk of developing cancer: eat healthy, maintain a healthy weight, exercise, be SunSmart, quit smoking and limit alcohol consumption. No matter how small the action, it will make a difference and could be lifesaving. How will you fight back?
